

**INDIANAPOLIS BOND BANK  
REQUEST FOR PROPOSALS  
\$20 MILLION SHORT TERM NEW MONEY  
FINANCING SERVICES FOR THE INDIANAPOLIS-  
MARION COUNTY COMMUNITY JUSTICE CAMPUS**

**BOND BANK RFP-CJC-2017-005**

**Issued: August 3, 2017**

## **SECTION 1 - BACKGROUND**

### **1.1 Request for Proposals.**

This Request for Proposal solicits Statements of Proposals for short term financing services related to the City of Indianapolis and Marion County Community Justice Campus. A submittal of a Statements of Proposal does not guarantee that the offeror will be contracted to perform any services but only serves notice to the Indianapolis Bond Bank that the offeror desires to be considered.

### **1.2 Criminal Justice Reform.**

In his inaugural State of the City address in 2016, Indianapolis Mayor Joe Hogsett created the Indianapolis Criminal Justice Reform Task Force “to assess, research, examine, and ultimately report recommendations for the systemic reform and optimization of the current county criminal justice system.” In a report released on December 12, 2016, the Criminal Justice Reform Task Force recommended a series of changes to the criminal justice system, including initiatives to address mental health illness and drug addiction, improve health and safety, prevent crime, and redirect offenders back to a successful life in the community. Task Force recommendations for new and reconfigured facilities included a Community Justice Campus with a 2,600-3,000 bed jail, an assessment center and a consolidated criminal and civil courts complex.

The City of Indianapolis and the Indianapolis Local Public Improvement Bond Bank (“Indianapolis Bond Bank” or “Bond Bank”) have been working with the Marion County Sheriff’s Office, the Superior and Circuit Courts and other criminal justice agencies, as well as engineering, design, planning, finance and legal professionals, to develop the Community Justice Campus concept. On July 24, 2017, the City-County Council of the City of Indianapolis and of Marion County, Indiana, adopted Proposal No. 175-2017, which provides in part:

*“Section 1. The Council hereby authorizes and requests the City's Mayor (“Mayor”) and the City Controller (“City Controller”) to prepare and issue the Notes pursuant to Indiana Code 5-1.4-8-6 in the name of the City for the purpose of procuring funds to pay for the Planning and Design Costs. The Notes may be issued in an aggregate principal amount not to exceed Twenty Million dollars (\$20,000,000.00) to be designated “Local Option Income Tax Notes, Series 2017” (with such further or different designations as the City Controller may determine to be desirable). The Notes are payable from local option income tax revenues and by this Resolution, the Council hereby pledges said local option income tax to repayment of the Notes.”*

Proposal No. 175-2017 authorizes the Bond Bank to pursue short-term financing using either a direct purchase or a commercial paper structure:

*“Section 2. The Notes shall be sold by negotiated sale to The Indianapolis Local Public Improvement Bond Bank (the “Bond Bank”) and shall bear interest at a rate not to exceed 4% per annum payable on interest payment dates selected by the City Controller, and mature no later than two years from the date of delivery. The Bond Bank shall purchase the Notes with proceeds of bonds, notes or other instruments or obligations it issues for such purpose either through a direct purchase arrangement or a commercial paper facility.*

A copy of Proposal No. 175-2017 is available in **Attachment A**. The Bond Bank intends to take this short term financing out with an open market financing prior to September of 2019.

## **SECTION 2 – REQUEST FOR PROPOSALS**

### **2.1 General Purpose.**

The City and impacted stakeholders are moving forward with planning for the Project. The Bond Bank is a body corporate and politic established for, among other things, assisting qualified entities to develop infrastructure in the City and the County, and it is facilitating the Project for this purpose. This RFQ is part of the Bond Bank’s facilitation.

### **2.2 Scope of Services.**

The Bond Bank is seeking proposals for two transaction options:

- **Option One – Direct Purchase Options:** This would involve a new draw direct purchase loan (Draw DP) with a lender or lenders on a draw basis, with use and non-use fees. The term could be one or two years and rates could be fixed or variable.
- **Option Two – Open Market/Commercial Paper Options:** This would involve an open market commercial paper (CP) negotiated transaction, with a maturity of two years and a Letter of Credit.

Offerors may respond with proposals for Draw DP and/or CP options.

## **SECTION 3 – PROCUREMENT PROCESS**
